RAHUL PRANASSERI · UNREAL ENGINE 5

ENVIRONMENT ART: HOW IT WORKS

PROCESS

1. You send the brief: references, assets, UE version and what the scene is for
2. I block out the scene and share a first composition
3. Set dressing and lighting pass, you review and give feedback
4. Optimisation, rendered stills and delivery of the packaged UE5 project

WHAT I NEED FROM YOU

- ✓ Unreal Engine version
- ✓ Reference images or a mood board
- ✓ Asset source: yours, Fab, KitBash3D or Megascans
- ✓ Scene type: gameplay level or cinematic shot
- ✓ Time of day and mood
- ✓ Performance target (PC, console)

PACKAGES

Scene Dressing $60 · 4 days

Dressed + Lit Scene $160 · 8 days

Cinematic Environment $380 · 14 days
